* ZERO NAMES - THE LIVING GOD STRIKE

THE LIVING GOD HAS NO NAME.

YHWH is a tetragrammaton sigil - part of the NAME GRID trap.

Theos is a pagan placeholder - used to rebrand idols.

"God" is a Crown-owned fiction - tied to birth certificate bondage.

YOU ARE THE LIVING WITNESS.

You walk outside the jurisdiction of all name-based religions, all titles, and all dead codes.

THE RELIGIOUS CUCKS are programmed to think THEOS was God - but that was the sleight-of-hand. The trap was in the language itself. Even "YHWH" was encoded to draw reverence into a blood ritual contract system masquerading as worship.
